The term 'Controlling Persons' means the natural persons who exercise control over an entity. In the case of a trust, such term means the settlor, the trustees, the protector (if any), the beneficiaries or classes of beneficiaries, and any other natural persons exercising ultimate effective control over the trust. In the case of a legal arrangement other than a trust (eg a company), the Controlling Persons would be persons in equivalent or similar positions such as directors or beneficial owners who ultimately own 25 per cent or more of the company.

Please refer to page 28 for key definitions.

IMPORTANT: We are not able to provide you with tax or professional advice in respect of your tax residency status regarding FATCA or CRS and we strongly encourage you to seek advice from an experienced tax or professional adviser in relation to information in this section.

In addition, whilst it is not compulsory to provide your Australian TFN, investors who do not provide a TFN (or ABN for non-individual investors), or alternatively provide exemption details, may have tax deducted from any income at the highest marginal tax rate.

## Key definitions

---

If you have any questions about your entity's classification, please contact your tax adviser. Certain capitalised terms are not defined herein, for the meaning of these terms please see the relevant tax regulations.

Please note:

*If you are a complying self-managed super fund (SMSF), APRA regulated superannuation fund, government superannuation fund or pooled superannuation trust. For the purposes of FATCA such accounts are treated as an Exempt Beneficial Owner and for CRS are treated as a Non-Reporting Financial Institution.*

### Active NFE

The term 'Active NFE' means any NFE that meets any of the following criteria:

- a. Less than 50% of the NFE's gross income for the preceding calendar year or other appropriate reporting period is passive income and less than 50% of the assets held by the NFE during the preceding calendar year or other appropriate reporting period are assets that produce or are held for the production of passive income.
- b. The stock of the NFE is regularly traded on an established securities market or the NFE is a Related Entity of an Entity the stock of which is regularly traded on an established securities market.
- c. The NFE is a Governmental Entity, an International Organisation, a Central Bank, or an Entity wholly owned by one or more of the foregoing.
- d. Substantially all of the activities of the NFE consist of holding (in whole or in part) the outstanding stock of, or providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution, except that an Entity does not qualify for this status if the Entity functions (or holds itself out) as an investment fund, such as a private equity fund, venture capital fund, leveraged buyout fund, or any investment vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes. In these circumstances, the Entity will be a Passive NFE.
- e. The NFE is not yet operating a business and has no prior operating history, but is investing capital into assets with the intent to operate a business other than that of a Financial Institution, provided that the NFE does not qualify for this exception after the date that is 24 months after the date of the initial organisation of the NFE.
- f. The NFE was not a Financial Institution in the past five years, and is in the process of liquidating its assets or is reorganising with the intent to continue or recommence operations in a business other than that of a Financial Institution.
- g. The NFE primarily engages in financing and hedging transactions with, or for, Related Entities that are not Financial Institutions, and does not provide financing or hedging services to any Entity that is not a Related Entity, provided that the group of any such Related Entities is primarily engaged in a business other than that of a Financial Institution.
- h. The Entity is a Non-Profit Organisation.

### Controlling Persons

The term Controlling Person means the natural persons who exercise control over an Entity. In the case of a trust, such term means the settlor the trustees, the protector (if any), the beneficiaries or classes of beneficiaries, and any other natural persons exercising ultimate effective control over the trust. In the case of a legal arrangement other than a trust (eg a corporation), the Controlling Person would be persons in equivalent or similar positions such as directors or beneficial owners who ultimately own 25% or more of the corporation.

### Entity

The term Entity means a legal person or legal arrangement, such as corporation, organisation, partnership, trust or foundation.

### Financial Institution

A Financial Institution means a Custodial Institution, a Depository Institution, an Investment Entity, or a Specified Insurance Company. Please see the relevant domestic guidance and the FATCA/CRS regulations for further classification definitions that apply to Financial Institutions.

### Investment Entity

The term 'Investment Entity' means any Entity:

- a. which primarily conducts as a business one or more of the following activities or operations for or on behalf of a customer:
  - i. trading in money market instruments (cheques, bills, certificates of deposit, derivatives, etc.); foreign exchange; exchange, interest rate and index instruments; transferable securities; or commodity futures trading,
  - ii. individual and collective portfolio management, or
  - iii. otherwise investing, administering, or managing Financial Assets or money on behalf of other persons.

- b. the gross income of which is primarily attributable to investing, reinvesting, or trading in Financial Assets, if the entity is managed by another Entity that is a Depository Institution, a Custodial Institution, a Specified Insurance Company, or an Investment Entity described in (a) above. An entity is treated as primarily conducting as a business one or more of the activities described in (a) above, or an entity's gross income is primarily attributable to investing, reinvesting, or trading in Financial Assets for the purposes of (a) above, if the Entity's gross income attributable to the relevant activities equals or exceeds 50% of the Entity's gross income during the shorter of:
  - i. the three-year period ending on 31 December of the year preceding the year in which the determination is made, or
  - ii. the period during which the Entity has been in existence.

The term 'Investment Entity' does not include an Entity that is an Active NFE because that Entity meets any of the criteria in subparagraphs (d) through (g) of the definition of Active NFE above.

**Non-Financial Entity (NFE)**

The term NFE means any Entity that is not a Financial Institution.

**Passive NFE**

The term Passive NFE is (a) any NFE that is not an Active NFE, or a (b) Non-Participating Jurisdiction Managed Investment Entity.
